**SUICIDE IN TORRINGTON.**

Torrington, March 2.—Mrs. Adelaide M. Shepard, 54 years old, died yesterday from the effects of laudanum taken with suicidal intent on Sunday night. She has had fits of despondency ever since the death of her only daughter twelve years ago and of her husband, F. A. Shepard, eight years ago. Since the latter's death she has conducted the jewelry business left to him. A note was found, directing her to her effects should be disposed of.

### Deaths and Funerals.

James Tufts, a resident of this city, dropped dead while dressing yesterday morning at the home of his daughter, Mrs. T. B. McCoy, in Turnersville, to which place he had come with his wife last summer for her health. Both had been enjoying good health. Mr. Tufts arose as usual and was partly dressed when he fell to the floor and expired before a physician could be summoned. Heart disease and advanced age were given as the cause of death. Mr. Tufts being years of age, while in this city Mr. Tufts made his home with his son, T. M. Tufts, 161 Pembroke street. The deceased is survived by a widow, three sons, T. M. Tufts, of this city, John and Charles who reside in Milwaukee; and three daughters, Mrs. T. B. McCoy of Turnersville, Mrs. W. J. Archer of New York City and Miss Margaret Tufts. The remains were brought to this city last night and taken in charge by funeral director H. A. Remington.

The funeral of Hulda, youngest daughter of Mrs. Ursula and the late Albert Schaaf, was held yesterday afternoon from the home of her mother, 779 Ogden street, and attended by many friends and relatives. The burial was in Lakeview Cemetery.

### NEWS IN BRIEF

The Y. M. C. A. auxiliary will give a supper March 9, in order to renovate two more rooms—the ladies' parlor and the banquet hall. They have needed a new dress for the ladies' parlor but last year's hard times gave the ladies no time to go ahead with new work. The supper will be a large one, and it is hoped the public will be generous as in the past. It is quite an undertaking, but the friends of the auxiliary will do their part, thus furthering the interest of a great work among young men.

### NEW SERIES OF FARM CATALOGUES BY A HUSTLING CONCERN.

The remarkable increase in demand for farm land and farm homes during the past few years has led to marked changes in the methods employed by brokers, who handle agricultural land exclusively, to serve their customers. Several Farm Agencies issue elaborate yearly catalogues of farming land for sale in various sections of the country, many of them gotten up at considerable expense and in the most artistic form; but all of these pale into insignificance in light of the latest innovation. This is a series of twelve catalogues, each of which is published every month in the year by the E. A. Strout Company, with headquarters in New York, Boston and Philadelphia, and branch offices throughout the Eastern states. The March issue, the first of the series, has just been put in circulation. It bears the title "Monthly Bulletin of Farm Bargains," and is in two editions, one for the New England states, and the other for those states to the south and west. The monthly issue is an illustrated booklet of the usual magazine size. Succeeding issues will appear on the first of every month.

**MR. ERICSON'S OLD HOUSE.**  
Go see it, it's a beauty. It stands out among all its neighbors, because the coloring is so bright and clear. Mr. Ericson painted with L. & M. Paint and says it cost 1-3 less than ever before. He bought only 12 gallons of L. & M. Paint and 9 gallons of Linseed Oil to mix with this. This cost him 21 dollars of pure paint, and cost only \$1.30 per gallon. It's as handsome as the finest in town. The L. & M. is sold by Harry Reid, Bridgeport, Ct.; Northrup Bros., Southport; D. N. Clark, Shelton; T. P. Terry & Son, Ansonia; M. T. Gregory & Son, Milford.
